NOTE: Current law only requires licensed child care centers and group child care homes to report deaths and injuries that result in a child's admission to a hospital. Youth camps and licensed family child care homes are required to report all serious injuries, a child's admission to a hospital, and deaths.

Only those license-exempt providers who are subject to health & safety inspections are included above.

As of December 2023, there was a total licensed capacity for child care centers/group child care homes of 103,515 and for family child care homes there was a total licensed capacity of 16,140.
