NOTE: Licensed child care centers, group child care homes, family child care homes, youth camps, and license-exempt programs are required by law to report any child death or injury that results in a diagnosed fracture, second- or third-degree burn, concussion, or hospitalization.

Only those license-exempt providers who are subject to health & safety inspections are included above.

As of December 2025, there was a total licensed capacity for child care centers/group child care homes of 107,149 and for family child care homes there was a total licensed capacity of 15,820.
